**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF OHIO  
WESTERN DIVISION (DAYTON)**

ART SHY, et al.

Plaintiffs,

vs.

NAVISTAR INTERNATIONAL  
CORPORATION, et al.

Defendants.

Case No. 3:92-CV-00333

District Judge Walter H. Rice

**DECLARATION OF FRED CORTRIGHT IN SUPPPORT OF PRELIMINARY  
APPROVAL OF CLASS ACTION SETTLEMENT AND APPROVAL OF  
AMENDMENTS TO THE SUPPLEMENTAL BENEFIT PROGRAM**

I, Fred Cortright, declare as follows:

1. The statements in this declaration are based on my personal knowledge and experience. I am a union retiree from Navistar International Corporation (“Navistar”) having retired in September 2012. I was elected by my peers to represent their interests as a committeeman for UAW Local 2293. In 1993, I was elected to serve as the chairman of the local union and served in that role until I retired in 2011.

2. I understand my responsibilities as a Class Representative in this matter and take that responsibility very seriously. After agreeing to act as a Class Representative in this matter, I have been in contact with Class Counsel for the purpose of reviewing and understanding the terms of the proposed Settlement. In doing so, I have participated in three Zoom calls with Class Counsel, Ms. Fedder (ERISA expert), Ted Scallet (SBC’s counsel) and/or Stuart Wohl so that I could understand the history of the case, analyze the benefit of the Settlement now as compared to the release it grants, and review the actuarial projections of receiving the Settlement funds in the near future as opposed to potentially receiving a varying amount of profit sharing from Navistar over

time. I've spent several hours on these phone calls and many, many hours over the past year following the underlying profit-sharing disputes. Several of my non-Class Representative colleagues also have diligently looked after the retirement benefits we would receive from Navistar.

3. I have followed up with Class Counsel to ensure that any questions that I had about the proposed Settlement have been answered.

4. I have independently reviewed the information Class Counsel gave me so that I could be in a position to support or reject the proposed Settlement.

5. Through my review of the proposed Settlement and conversations with Class Counsel, I have the opinion that the proposed Settlement is fair and in my and my fellow Class Members' best interests. The substantial amount of money Navistar is paying now in my view far outweighs the risk of collecting additional disputed profit-sharing distributions and Medicare Part D subsidies from Navistar by moving forward with litigation and justifies the releases to be given by the Class.

6. I have not been promised anything for my support of this Settlement other than the benefits that would similarly be made available to my fellow Class Members. I do not have any conflicts with the Class I seek to represent.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Completed and approved this 21st day of December, 2021 in Joliet, Illinois.
